Pro V&V's test of Dominion Voting System the Most Efficient to-date. (<http://www.provandv.com/2017/02/10/pro-vvs-test-of-dominon-voting-system-the-most-efficient-to-date/>)

Pro V&V has completed the testing of the ***Democracy Suite 5.0 Voting System***. The Election Assistance Commissions today certified the Dominion Voting Democracy Suite 5.0 voting system meets the voting system standards. The determination came after a through review campaign conducted by Pro V&V, the

EAC's newest voting system testing lab. Out of the six full certifications, the Dominion Democracy Suite 5.0 voting system was the most efficient process, completing the full certification in just over 9 months.
