Table of contents

Preface

This section defines the purpose of this document. It contains the following subsections.

- About this document
- Scope of this document
- Intended audience
- Contact us

About this document

This document provides concise visual instructions to vote for ClearAccess voters using either the touchscreen, keypad or Sip-and-Puff.

This document provides information compliant with the documentation requirements of *VVSG 2005, Volume 2, Section 2.8.4*.

A ClearVote™ system can comprise the ClearAccess™, ClearAudit™, ClearCast™, ClearCount™ and ClearDesign™ products. Jurisdictions are not required to purchase all products. You can ignore references to any ClearVote components that are not part of your voting system. Also ignore implementation options that are not relevant to your policies and procedures.

Scope of this document

This document contains the following chapter:

- Voter Cards

Intended audience

This document is intended for election officials and election staff who are responsible for operations and maintenance before, during, and after an election. This document is also used by Clear Ballot personnel who support election officials and election staff.

Contact us

Clear Ballot Group welcomes your feedback on our documentation. Please send comments to Documentation@ClearBallot.com.

If you have questions about using your ClearVote product, contact your Clear Ballot representative.

Chapter 1. Voter cards

This chapter contains the following single page Voter Card pullouts:

- Voting using the touchscreen
- Voting using the Sip-and-Puff
- Voting using the keypad
