Election System Security Audit and Upgrades

Priority

One-time:

Ongoing:

This funding increase comes from an informal inquiry from the State Auditor regarding the cyber security of Utah's election system. This funding would add security features login procedures, user access, and system data. Conduct a full penetration test and security review of VISTA, VISTA Local, FTP/SFTP access, and elections websites.

** The Legislative Fiscal Analyst recommends a total of \$106,000 one-time from the General Fund for this item.*
