11/1/2020	Red Mesa	Mexican Water Chapter	<p>Mexican Water Chapter Planning Meeting 1pm</p> <ul style="list-style-type: none"> - Went out to Mexican Water Chapter for planning meeting to do an update on Tuesday's election location and time. - I had requested to be on their agenda for tomorrow's (Monday's Chapter Meeting) at 1pm - They planning meeting ended halfway thru the planning, due to a previous Tribal Leader passing from Aneth/Montezuma Creek area. 	2	58	33.64		

11/3/2020	Red Mesa	MV Welcome Center	<ul style="list-style-type: none"> - Before they adjourn I just quickly gave a brief report on the location of Voting Sites and time. Since it was postponed... - They post-poned it till Wednesday 11/4 - Go Out and Vote People 	13	164			
11/4/2020	Red Mesa	Mexican Water	<p>Election Day</p> <ul style="list-style-type: none"> - I left at 5am and got home at 10:15pm. It was such a long day. - I will be in Monument Valley Welcome Center for the 2020 General Election Voting with Peggy Scott & John. - Voting started at 7 am non-stop up to 2pm. We were so busy with people coming in voting. - Some did Provisional ballot that were not in the voting system and that needed update on their voting information. - Some drop off their ballot. - Did several curb-side voting for elders and that needed language assistance, some were ok and they understood the ballot and the Proposed Constitutional Amendments. <p>Mexican Water Teleconference meeting</p> <ul style="list-style-type: none"> - Got a text message from the MW-Chapter Secretary, asking me to do an update on yesterday's Federal, State of Utah & San Juan County Election. I provided all the information in Navajo and we had 8 people on-line. - I did update on what I know and Candidates that were on the Ballot and the voting outcome. And some of the Proposed Constitutional Amendments that were on the ballots. - Also taking Safety precautions in the voting area and with the help of other people assistance. - Question: some voters had gone down to Bluff Community Center, thinking that was a voting location, for some Mexican Water Community Voters. Comment was that the County should add another voting location, some didn't want to travel to Montezuma Creek or Monument Valley Welcome Center, and Monticello was out of their ways to travel. - I also mention that we have been to Mexican Water Chapter for Early Voting Site and we have been ask to set up outside in the Cold and uncomfortable situation with our set-up, on the sidewalk and small hallway and not accommodating to voters and SJ County workers. I told the Chapter Vice President that from the last meeting, the 	3	58			

				chapter allowed us to use the Chapter facility. Mrs. Saggbay didn't want comment. I hope that the NN Election was outside and hopefully they accommodate the elders and they stood outside in the cold weather, the same treatment we got when we were here. There I said it... The chapter official was being apologetic and mention it might have been a misunderstanding.
