DIRECT PRIMARY ELECTION ACT

• The Governor's Office of Management and Budget estimates the law proposed by this initiative would result in a total fiscal expense of up to \$3.35 million every two years, including costs for runoff elections (up to \$2.9 million), additional primary elections (up to \$400,000), and signature verification and miscellaneous costs (approximately \$50,000). Candidate and voter behavior may change these estimates. In addition, the cost of posting information regarding the proposed initiative in Utah's statewide newspapers and for printing the additional pages in the voter information pamphlet is estimated at \$30,000 in one-time funds.

• **WARNING:** It is a class A misdemeanor for an individual to sign an initiative petition with a name other than the individual's own name, or to knowingly sign the individual's name more than once for the same measure, or to sign an initiative petition when the individual knows that the individual is not a registered voter and knows that the individual does not intend to become registered to vote before the certification of the petition names by the county clerk.

Subject: Heads up: Aggressive RCV phone calls to clerks

Beaver County received a call from [REDACTED] badgering them to change their stance on Ranked Choice Voting. The caller was pretty aggressive, and said he was close friends with Stan Lockhart, the lead RCV lobbyist in Utah.

This caller is [REDACTED], a long-time GOP activist who has been aggressive to tons of people on several different topics. It is not worth talking to him. At all. I've tried.

I would recommend not answering if he calls, or, if he does, simply say, "I don't have time to talk" or something like that and hang up. I hate to be rude, but he will suck up your time and energy.

Thanks, McMullins, for the head up!

It's time to begin discussions about how best to approach the legislature about funding the purchase of elections equipment.

Also, the ULCT is proposing some changes to referendum law (attached) that simply don't work with federal election deadlines.

We'd like to discuss these two issues (funding is most crucial) with a smaller group before opening it up to the full Legislative group.

Subject: Objection to Declaration of Candidacy of Cindie Quintana
Date: Friday, March 20, 2020 1:33:04 PM
Attachments: [Quintana Approval.pdf](#)

Sherrie,

In accordance with [Utah Code 20A-9-202\(5\)](#), the Office of the Lieutenant Governor is filing a written objection to the declaration of candidacy of Cindie Quintana due to the following reason:

- Candidates must submit a conflict of interest disclosure electronically as required by [Utah Code 20A-11-1603](#) and [20A-9-202\(3\)\(e\)](#).
- Cindie did not submit a conflict of interest disclosure electronically.
- Cindie requested access to the [disclosures.utah.gov](#) website at 3:35 pm on March 19, 2020, and our office approved her access at 3:36 pm on the same day, thus allowing Cindie to submit the conflict of interest disclosure. Attached is the confirmation email that was sent to [cindiequintana@gmail.com](#) at 3:36 pm.

The objection process requires your office to notify the candidate immediately and decide this objection within 48 hours. If you sustain the objection, Cindie may cure the issue by submitting a conflict of interest disclosure before 5:00 pm within three days after the day on which the objection is sustained. Refer to [Utah Code 20A-9-202\(5\)](#).

Please let me know if you have any questions.

Thank you,
Derek Brenchley

RE: Governor issues Executive Order allowing individuals to declare candidacy by proxy

Hi Justin,

In light of the quarantined candidate being able to bypass a notary for filing, can we offer the same consideration to Lee Anne Walker? She is not only is house-bound because of disability, but she is in the at-risk group for exposure.

I have spent a great deal of time with her, as has some of your staff, in problem-solving to allow her to file. A notary may be a major sticking point.

What do you recommend?

I think it would be acceptable for the candidate to email the signed form to a proxy, and then you can administer the oath via video.

Good evening,

Please read the attached executive order from Governor Herbert. Due to the potential for candidates to be quarantined during the declaration of candidacy period, the Governor has suspended the requirement that candidates must file in person during the declaration of candidacy period. Any candidate can use the remote filing provisions under Utah Code § 20A-9-202(1)(c), even if the candidate is not out of town.

Q - Does this mean that candidates have to file remotely?

A - No. Candidates can still file in person.

Q - How does remote filing work?

A - See 20A-9-202(1)(c). Basically the candidate sends an agent with their paperwork, and the filing officer communicates with the candidates via some type of video communication. The agent cannot sign the declaration paperwork on the candidate's behalf.

Please feel free to reach out to us with any additional questions.

Best of luck during this next week. I hope that everyone stays safe and healthy.

Dear Standards Board Members,

Regards,

U.S. ELECTION ASSISTANCE COMMISSION
1335 East West Highway – Suite 4300
Silver Spring, MD 20910

March 27, 2019

Dear Standards Board Members:

On behalf of the newly designated Standards Board Designated Federal Official, Donald Palmer, I am forwarding to you, the eight candidates who have been nominated to fill the eight vacancies on the Executive Board Committee.

There are three 1- term positions (2 year duration), three 2-term positions (4 year duration) and two positions to complete the remainder of two 3-term positions (6 year duration). The two individuals elected to complete these two 3-term positions will serve the remaining 2 years of the 6-year duration, which expires in April 2021.

HAVA requires that the nine-member (9) Executive Board be comprised of:

- ~ not more than five (5) State election officials
- ~ not more than five (5) local election officials
- ~ not more than five (5) of the same political party

Because there are not more than five (5) members of the same political party on the current Executive Board, the new members may be of either party or unaffiliated. The election will be conducted using plurality voting. The Standards Board Bylaws do not allow for proxy voting for Executive Board members. Therefore, all members who intend to cast a vote for Executive Board members must be present at this meeting.

We are attaching three documents to this letter to assist in the nomination process: (1) a copy of HAVA section 213(c), which governs the selection of the Executive Board; (2) a copy of the Bylaws, and (3) the candidate nominations. Voting will be held on the first day of the meeting, with election results to be announced by the end of the day.

As we get closer to the meeting date, we will forward the minutes of the 2018 meeting and other pertinent information for your use.

Best regards,

A handwritten signature in black ink, appearing to be "CD", followed by a long horizontal flourish.

I am seeking a position on the Standards Board Executive Board, to bring my 30 years of experience to the EAC through the work of the Standards Board. My vast experiences Villages and Cities of varying sizes, from both rural and urban areas, as well as working through various Clerk Association positions, has prepared me for this position. Elections are not one size fits all and creating rules and regulations for all election officials must keep this in mind. My goal is to continue my local and state efforts in Election laws and policy with the work of the Standards Board, in review of the voluntary voting systems guidelines for the best practices recommendations to the EAC. To continue to make elections safe, secure and transparent at all levels of government for all voters.

I respectfully ask for your support in serving as a member of the Executive Board. The Standards Board plays a vital role in accomplishing the critical work of HAVA: to ensure that voters have confidence that the voting systems they use to cast their ballots function with accuracy and integrity.

During my service on the Executive Board, I focused on achieving our long-sought goal of bringing the proposed VVSG 2.0 standards forward for consideration by the entire membership. On April 19, 2018 (less than a year ago), you voted almost unanimously to recommend that the EAC proceed with the adoption of VVSG 2.0.

There is still important work for the Standards Board to do. The process of adoption of VVSG 2.0 is not yet complete, and working to flesh out the general principles set forth in the new standards will require ongoing cooperation and effort by all of us. Let our good work continue!

What do I hope to bring to the Standards Board?

Continuity and Expertise. I have served as Virginia's local election official member of the Standards Board for the past four years. Most of the things that the Standards Board is responsible for are iterative and are currently in a draft state and need to be finalized by folks who know the status, process, personalities and history. Additionally, since I serve as the Chairman of the EAC Standards Board & Standards Board Executive Board and as the only local election official on the 14 member TGDC, I'd like to be reappointed to the Standards Board Executive Board to continue this valuable work.

Candidate Bio (Not to exceed one page):

Greg S. Riddlemoser

Director of Elections & General Registrar, Stafford County

Greg S. Riddlemoser is the Director of Elections and General Registrar for Stafford County, VA and its 160,000 residents. Mr. Riddlemoser is also the Chairman of the US Elections Assistance Commission (EAC) Standards Board and Executive Board, as well as a member of the USDOC-National Institute of Standards and Technology's (NIST) Technical Guidelines Development Committee (TGDC). Candidate Bio (Not to exceed one page):

Joe Gloria was named Registrar of Voters for Clark County, NV in June of 2013 after serving as the Sr. Election Operations Supervisor – Warehouse Division, since 2009. He leads the County's voting, registration, and tabulation services in a manner which insures public confidence in the integrity of our voting process.

Under his leadership, Clark County experienced exponential growth in its early voting program through the years. His innovative implementation in the use of construction and mobile trailers allowed the department to serve many areas of the community where no facility was available to support voting activities as a result of population growth in the valley. His positive interactions with community partners has served to create a network of facilities that have a long history of supporting our early voting program, one which is highly regarded on the national level.

Joe began his public service career in 1991, as a Voting Machine Technician in Dona Ana County, NM. Joe joined Clark County in 1995 and served as Voting Machine Technician, Sr. Voting Machine Technician, Warehouse Supervisor, Election Operations Supervisor, and Sr. Election Operations Supervisor before being appointed as Registrar of Voters. With over 28 years of election experience, in two states, he has supported over 150 election cycles over the course of his career.

He is a current member of the Election Center, the Chief Financial Officers Association (CFOA), Pi Alpha Alpha, and the National Honor Scholar Association. He is also a member of the EAC Standards Board, as appointed by the NV Secretary of State, as well as, a member of the NV Election Task Force, which is also appointed by the NV Secretary of State.

Joe is a graduate of the 2004 Clark County Leadership Forum as well as the 2010 Clark County Management Academy. He has earned the Certified Election Registration Administrator certificate from The Election Center. He is also a graduate of the University of Phoenix with a bachelor's degree in business administration, a graduate certificate in public management from UNLV, and a master's degree in public administration, also from UNLV.

Candidate Statement of Interest:

I am interested in serving on the Executive Board of the Standards Board in order to advise and assist the EAC during this very important season in election administration. With four commissioners for the first time in years there is an opportunity for the EAC to provide greater leadership in election administration in the US. I expect the 2020 General Election to be one of the most contentious in history with an increase in the amount of election misinformation that is circulated. A fully functioning EAC can help in compiling and sharing best practices, assist in educating the public on election, and help to rebuild confidence in our electoral processes.

My over 20 years experience in elections at the state, local, and in the private sector would allow me to work with the Standards Board to advise the EAC on how they can assist with elections at the state, local, and in the private sector.

I look forward to continuing to serve with you in whatever capacity.

U.S. ELECTION ASSISTANCE COMMISSION

December 20, 2018

Dear Standards Board Member:

The Standards Board will be meeting during the week of April 8th thru April 12, 2019 to fulfill its Help America Vote Act obligations. The Election Assistance Commission (EAC) is working on arrangements for the meeting and will be sending you more detailed information in the coming months.

The purpose of this letter is to explain the Standards Board Executive Board positions and to seek nominations for the vacancies. At this meeting, it is necessary for the Standards Board members to elect executive board members to three 2-year terms that will expire on April 28, 2021 and three 4-year terms that will expire on April 28, 2023. Members will also elect one member to serve the remainder of one 6-year term that expires on April 28, 2021.

The three 2-year terms are currently held by designated local election officials Greg Riddlemoser from Stafford County Virginia, Reynaldo Valenzuela from Maricopa County, Arizona, and Genevieve Whitaker from the U.S. Virgin Islands, who stepped down in 2018. The three 4-year terms are currently held by designated state election officials Brad King from Indiana, Gary Poser from Minnesota, who is retiring this month, and Edgardo Cortes from Virginia, who stepped down in 2018. The one 6-year term was held by designated local election official Jerry Schwarting from South Dakota, who retired in December 2017. The person elected to this term will serve the remaining 2 years of the 6-year term, which expires in April 2021.

HAVA requires that the nine-member (9) Executive Board be comprised of:

- ~ not more than five (5) State election officials
- ~ not more than five (5) local election officials
- ~ not more than five (5) of the same political party

The Standards Board may elect up to three (3) State and four (4) local officials, or two (2) State and five (5) local officials, and because there are not more than five (5) members of the same political party on the current Executive Board, the new members may be of either party or unaffiliated. The election will be conducted using plurality voting. The positions will be filled based on the greatest number of votes received. If three State officials are elected, the remaining positions will be filled by local officials. The Standards Board Bylaws do not allow for proxy voting for Executive Board members.

SEC. 213. MEMBERSHIP OF STANDARDS BOARD.

(a) COMPOSITION.—

(1) IN GENERAL.—Subject to certification by the chair of the Federal Election Commission under subsection (b), the Standards Board shall be composed of 110 members as follows:

In the case of the District of Columbia, Guam, and American Samoa, the chief election official shall establish a procedure for selecting an individual to serve as a local election official for purposes of such paragraph, except that under such a procedure the individual selected may not be a member of the same political party as the chief election official.

(3) REQUIRING MIX OF POLITICAL PARTIES REPRESENTED. — The two members of the Standards Board who represent the same State may not be members of the same political party.

(b) PROCEDURES FOR NOTICE AND CERTIFICATION OF APPOINTMENT.—

(A) the name of the State election official who agrees to serve on the Standards Board under this title; and

(B) the name of the representative local election official from the State selected under subsection (a)(2) who agrees to serve on the Standards Board under this title.

(2) CERTIFICATION.—Upon receiving a notice from a State under paragraph (1), the chair of the Federal Election Commission shall publish a certification that the selected State election official and the representative local election official are appointed as members of the Standards Board under this title.

(3) EFFECT OF FAILURE TO PROVIDE NOTICE.—If a State does not transmit a notice to the chair of the Federal Election Commission under paragraph (1) within the deadline described in such paragraph, no representative from the State may participate in the selection of the initial Executive Board under subsection (c).

(4) ROLE OF COMMISSION.—Upon the appointment of the members of the Election Assistance Commission, the Election Assistance Commission shall carry out the duties of the Federal Election Commission under this subsection.

Subject: Draft Sample Language

Here is some sample draft language. It is our intent to deny both the expedite and fee fee waiver. If you have suggestions please respond quickly. I will be sending our initial response out this afternoon. Thanks.

Dear Ms. Farrell:

I received your GRAMA request on Friday, March 17, 2017 and am putting together the materials to fulfill that request and will respond in full within the time frame allotted under Utah Code 63G-2-204(3). The request asked for a fee waiver under Utah Code 62-3-203(4) as well as an expedited response. The request fails to demonstrate that the requested materials are of benefit to the public, and therefore the fee waiver and expedited response are both therefore denied.

Due to the technical nature of the request and the materials requested, we estimate it will take four hours at a cost of \$XXX.XX per hour for a total estimated cost of \$XXX.XX. The hourly cost reflects the salary of the lowest paid employee who, at our discretion, has the necessary skill and training to fulfill the request.

GRAMA provides that "any person aggrieved by a governmental entity's access determination" may appeal (*See* U.C.A. 63G-2-401). You may appeal within 30 days by submitting a notice of appeal to:

Subject: GRAMA Breakdown

I have gone through the GRAMA request from the ACLU and tried to break out who has the data that is being requested. This is what I have come up with and Ricky asked me to send it out in advance of our call this afternoon.

Part 1 – Policies

- a. LG/County - We need help from Vista to know when Annual processing, deceased voter files, ERIC updates, and incarcerated felons have been done.
- b. County - Counties can provide details on how we process ERIC lists
- c. County - Counties can provide our policies
- d. LG - This is as automated state function, should be supplied by the LG's office
- e. County - Counties can provide any policies.
- f. County/LG - This is an automated function, it is spelled out in the Vista Screen where it is initiated. County can provide that text.

Part 2 – Numbers for processes in request 1

- a. N/A
- b. LG - As far as I can tell there is no way to determine what was processed due to things like ERIC. Does Vista have a report that can show what was done with ERIC data?
- c. LG - Is there a Vista report that shows how many deceased voters are processed?
- d. LG - Is there a Vista report that shows how many incarcerated felons and voters that are processed?
- e. County –
- f. County/LG - Counties may have some files. I have files from 2016 and 2013, but nothing from 2012, 2014, or 2015. Is there a report in Vista that can provide the numbers?

Part 3 – List of voters processes in request 1 – should include removed voter's address, registration date, cancellation date, reason for removal, and State Voter ID (Race is not tracked) and other contact information.

- a. N/A
- b. LG - As far as I can tell there is no way to determine what was processed due to things ERIC. Does Vista have a report that can show who was removed because of ERIC data?
- c. LG - Is there a Vista report that shows this info for voters who were removed because they are deceased?
- d. LG - Is there a Vista report that shows this info for voters who were removed because they were incarcerated?
- e. County –
- f. County/LG – We have files from 2013 and 2016. They only contain voter ID, name, and their status change. Is there a way to retrieve old files or pull the other data requested for those voters?

Part 4 – ERIC data

LG – Once the ERIC data is processed we can no longer access it

Part 5 – Number of confirmation notices sent to voters

County – We can obtain the numbers from the printer logs in Vista

Hi Cindie,

You are correct. 5 p.m. Tuesday is the latest you can file your Conflict of Interest form.

Here is your listing on our website. It looks as if the spelling error has been corrected.

Hi Charlotte,

That's frustrating, especially after receiving a confirmation email. Thanks for letting me know. I will try it again. Additionally, my name is spelling incorrectly on the county site. They have me as Quintina instead of Quintana. Just to clarify, I can correct NLT Tuesday?

Thank you,

Cindie

Subject: Objection to Declaration of Candidacy of Cindie Quintana

Sherrie,

In accordance with Utah Code 20A-9-202(5), the Office of the Lieutenant Governor is filing a written objection to the declaration of candidacy of Cindie Quintana due to the following reason:

- Candidates must submit a conflict of interest disclosure electronically as required by Utah Code 20A-11-1603 and 20A-9-202(3)(e).
- Cindie did not submit a conflict of interest disclosure electronically.
- Cindie requested access to the disclosures.utah.gov website at 3:35 pm on March 19, 2020, and our office approved her access at 3:36 pm on the same day, thus allowing Cindie to submit the conflict of interest disclosure. Attached is the confirmation email that was sent to cindiequintana@gmail.com at 3:36 pm.

The objection process requires your office to notify the candidate immediately and decide this objection within 48 hours. If you sustain the objection, Cindie may cure the issue by submitting a conflict of interest disclosure before 5:00 pm within three days after the day on which the objection is sustained. Refer to Utah Code 20A-9-202(5).

Please let me know if you have any questions.

Thank you,

Derek Brenchley

All,

Thank you very much for our meeting today. We look forward to the partnership.

I will start setting some times for our smaller working groups so we may move forward.

I am very encouraged about this wonderful opportunity for the voters of Salt Lake County (and the rest of the state!). Providing accessible and convenient voting locations is critical, and in these unusual times, we are appreciative for facilities willing to work with us.

In addition, the added support of a PSA campaign will reach voters in a brand new way and this is very exciting.

With regards,

In accordance with Utah code 10-2a-305 the five sponsors of the town of Brighton held a public hearing at 7 PM on December 10, 2018.

During the meeting the sponsors unanimously passed a motion that determined that the term for the Brighton Mayor and two of the other council members to be elected in November 2019 shall be 2 years and that the term for the other 2 council members shall be 4 years, and that the four non-Mayor council members should draw lots to determine who gets the 2 and the 4 year terms.
