Subject: List of County Print Vendors
Attachments: County Print Vendors.xlsx

Happy Friday!

Thank you all for chiming in with your current print vendors. I have attached a spreadsheet with the current vendors that counties have indicated they are using.

I'd like to make a few observations from the emails and from what I've seen over the years.

1. K&H and Runbeck are widely praised and have had almost no issues over the years.
2. Most counties using Seachange or IVS are interested in a change, and we have had multiple printing and delivery issues in the past.
3. Counties that use Carr printing tend to like Carr printing, that being said we have also seen some printing errors, delivery delays, and races left off the ballot from this vendor multiple times as well.

If you have additional questions, or want specifics feel free to email me or a county that uses a vendor. You might also want to call if you have questions about a vendor but don't want an email that is a public record.

Thanks,
Justin
