Hello,

I cannot find my ballot in the vote tracking system ([Voter Search](#)). Can you confirm if it was included in the voting tabulations?

The image shows a document page with a vertical column of 25 small black squares on the left margin. The main text area is covered by approximately 25 horizontal black redaction bars of varying lengths, obscuring all text. The bars are arranged in a roughly vertical sequence, with some bars being longer than others, creating a jagged right edge. The background is white.

[illegible]

The image shows a document page where the vast majority of the text has been redacted with thick black horizontal bars. The redactions are organized into several distinct blocks, suggesting a structured document like a report or a list. The first block at the top consists of a single line. The second block contains two lines. The third block is larger, with three lines. The fourth block has two lines. The fifth block is the largest, containing five lines. The sixth block has two lines. The seventh block contains three lines. The eighth block has two lines. The ninth block is the largest, with five lines. The tenth block has two lines. The eleventh block contains three lines. The twelfth block has two lines. The thirteenth block is the largest, with five lines. The fourteenth block has two lines. The fifteenth block contains three lines. The sixteenth block has two lines. The seventeenth block is the largest, with five lines. The eighteenth block has two lines. The nineteenth block contains three lines. The twentieth block has two lines. The twenty-first block is the largest, with five lines. The twenty-second block has two lines. The twenty-third block contains three lines. The twenty-fourth block has two lines. The twenty-fifth block is the largest, with five lines. The twenty-sixth block has two lines. The twenty-seventh block contains three lines. The twenty-eighth block has two lines. The twenty-ninth block is the largest, with five lines. The thirtieth block has two lines. The thirty-first block contains three lines. The thirty-second block has two lines. The thirty-third block is the largest, with five lines. The thirty-fourth block has two lines. The thirty-fifth block contains three lines. The thirty-sixth block has two lines. The thirty-seventh block is the largest, with five lines. The thirty-eighth block has two lines. The thirty-ninth block contains three lines. The fortieth block has two lines. The forty-first block is the largest, with five lines. The forty-second block has two lines. The forty-third block contains three lines. The forty-fourth block has two lines. The forty-fifth block is the largest, with five lines. The forty-sixth block has two lines. The forty-seventh block contains three lines. The forty-eighth block has two lines. The forty-ninth block is the largest, with five lines. The fiftieth block has two lines. The fifty-first block contains three lines. The fifty-second block has two lines. The fifty-third block is the largest, with five lines. The fifty-fourth block has two lines. The fifty-fifth block contains three lines. The fifty-sixth block has two lines. The fifty-seventh block is the largest, with five lines. The fifty-eighth block has two lines. The fifty-ninth block contains three lines. The sixtieth block has two lines. The sixty-first block is the largest, with five lines. The sixty-second block has two lines. The sixty-third block contains three lines. The sixty-fourth block has two lines. The sixty-fifth block is the largest, with five lines. The sixty-sixth block has two lines. The sixty-seventh block contains three lines. The sixty-eighth block has two lines. The sixty-ninth block is the largest, with five lines. The seventieth block has two lines. The seventy-first block contains three lines. The seventy-second block has two lines. The seventy-third block is the largest, with five lines. The seventy-fourth block has two lines. The seventy-fifth block contains three lines. The seventy-sixth block has two lines. The seventy-seventh block is the largest, with five lines. The seventy-eighth block has two lines. The seventy-ninth block contains three lines. The eightieth block has two lines. The eighty-first block is the largest, with five lines. The eighty-second block has two lines. The eighty-third block contains three lines. The eighty-fourth block has two lines. The eighty-fifth block is the largest, with five lines. The eighty-sixth block has two lines. The eighty-seventh block contains three lines. The eighty-eighth block has two lines. The eighty-ninth block is the largest, with five lines. The ninetieth block has two lines. The ninety-first block contains three lines. The ninety-second block has two lines. The ninety-third block is the largest, with five lines. The ninety-fourth block has two lines. The ninety-fifth block contains three lines. The ninety-sixth block has two lines. The ninety-seventh block is the largest, with five lines. The ninety-eighth block has two lines. The ninety-ninth block contains three lines. The hundredth block has two lines.
