"The Cause of America is, in a great measure, the Cause of all Mankind."

~ Thomas Paine

SHARE THE TRUTH	Publicize events, efforts, and opportunities; educate citizens, organizations, groups, the media, policymakers, and public officials.
RESTORE ELECTION INTEGRITY	Restore confidence in our elections: hold elected and non-elected officials accountable; return to free, fair, and transparent elections; replace any physical (including electronic voting equipment), procedural, or statutory election and election-related system that interferes with local citizen control over elections.
CONNECT	Empower election integrity groups, efforts, organizations, and partners to share knowledge and resources.

BACKGROUND: As one of America's most outspoken champions of Election Integrity, Mike Lindell travels across the country advocating for free and fair elections. People frequently ask Mike how they can help fix elections in their cities, counties, and states. Many established grassroots groups are doing incredible work and CoA is here to support and help move this mission forward. The role of Cause of America is to facilitate and support citizen grassroots actions and restore trust in local elections. We're building a network of individuals, organizations, and partners who can learn from each other and work together to solve the most pressing issue facing our nation: **"free and fair elections."**
