## VOTER INFORMATION

The image is a high-contrast, black-and-white abstract composition. It features several thick, horizontal bands of varying lengths and positions. Some bands are solid black, while others contain white rectangular or L-shaped cutouts. The arrangement is reminiscent of a film strip or a minimalist architectural rendering. The overall effect is stark and graphic.

Thanks,  
Justin

This poll sent shivers down my spine. If 22% of Utah voters plan to vote in person on election day, our vote centers will be absolutely overrun, and we'll see lines worse than 2016.

Weber's equipment's capacity can handle about 14K in-person voters. This 22% estimate would be at almost double that number – an absolute disaster.

Anything additional the state can do to help push people to vote by mail/drop box? Maybe you strongly message long, long lines on election day?

Help!

Thanks,  
R.

We'd like the clerks to be united in our position on the bill, and feel that we can't wait until Thursday, so we'd like to discuss Wednesday at noon.

Sorry for the unusual time, but we have to compete with commission meetings in many counties in the morning.

Thanks,

R.
