425		<p>charging and the battery is at 0% . It was realized by one of the staff yesterday that it was not charging</p> <p>Please bring us a red ink pad. The ink on our CID stamp is now very faint. Thank you.</p>	<p>CECIL</p> <p>JAME</p>
426		<p>URGENT * URGENT * URGENT</p> <p>One of the tOuch pads, on 3 consecutive occasions printed a ballot style that differed from the ballot style displayed on the screen. Each time we spoiled the ballot and reissued at which time the ballot showed the correct BS.</p> <p>IF WE DID NOT CATCH THIS EACH TIME, THE VOTER COULD BE DENIED THE CANDIDATE/ PROPOSITION SELECTION TO WHICH HE OR SHE IS ENTITLED.</p>	<p>TONY</p>
427		<p>One of the ExpressVotes that failed to open yesterday has the exact problem today.</p>	<p>BILL F</p>
428		<p>The styluses are starting to break and/or disappear. Could use some more.</p>	<p>BILL F</p>
429		<p>They are having trouble with the same BMD that has been repaired twice before. Gayle says it is the same problem.</p>	<p>Susan</p>
